

# Payroll Deduction Program

---

I know your school year has not started out the way you envisioned or hoped. But because of your dedication and resolve, the students in BCSC are still receiving the outstanding education that our school corporation is known for across the state, despite the many challenges that you face. Thank you for everything that you are doing to put routine and stability into the lives of these children. As you lead their educational growth from kindergarten to their senior years, I wanted to share one more way you can support these students through the BEF scholarship program.

*"I think a lot of the time, the staff contributes to the BEF, and it just becomes normal to them. They don't see where that money goes or how it impacts other lives. This scholarship impacts my life extremely, and I couldn't be more thankful to receive it."* That is how 2020 graduate Claire felt after receiving a scholarship from the Brownsburg Education Foundation, sponsored by the Brownsburg Community School Corporation employees this past May.

When BCSC employees **donated just \$1 per paycheck** toward the Payroll Deduction Program through the Brownsburg Education Foundation, BCSC employees sponsored 20 of 45 scholarships awarded in May to the BHS Class of 2020! **Thank you to all payroll deduction participants!** Your hard work and commitment to the children of Brownsburg contribute toward making this a community where people want their kids to grow up. You all make a difference in the lives of these students in various ways.

**If you do not currently participate in payroll deduction, I hope you will consider giving \$1 per paycheck (\$26 per year) toward this worthy cause.** If you already give \$1 per paycheck and can increase this amount, I hope that you will consider this as well! **All** money from the payroll deduction program will award scholarships to graduating BHS seniors.

**The 20 recipients of scholarships given on behalf of the BCSC employees in the BHS Class of 2020 include:**

**Sydney Arnes | Ascension St. Vincent EMT Program | EMT**  
**Emily Britton | Purdue University | Business Marketing**  
**Madison Brockelsby | IUPUI | Biochemistry**  
**Ella Brodt | Purdue University | Chemical Engineering**  
**Camryn Bronkella | Indiana University | Psychology**  
**Lauren Campbell | Purdue University | Health Sciences**  
**Blake Faughnan | Taylor University | Film and Media**  
**Jacob Koester | Purdue University | International Business**  
**Simon Koester | Purdue University | Health and Kinesiology**  
**Harrison Koles | Purdue University | Civil Engineering**

**Alena Megregian | Purdue University | Aerospace Engineering**  
**Sarah Mills | Hanover College | Exercise Science**  
**Nick Percy | Purdue University | Engineering**  
**Zoey Pepperworth | Indiana State Univ. | Health and Human Services**  
**Katelyn Rickert | Georgetown University | Political Science**  
**Lawrence Sukova | Purdue University | Data Science**  
**Kate Tchorbadjiyska | Indiana University | Finance**  
**Kayla Tobin | Purdue University | Actuarial Science**  
**Claire Woodruff | Indiana University | Nursing**  
**Morgan Wright | Indiana University | Neuroscience**

You can help us reach more outstanding students like this in the Class of 2021 and beyond. If you are unable to support the Foundation financially right now, we always appreciate any time or attention you can give to further our mission. Please consider what your payroll deduction gift can be at this time, and thank you for helping us *Enhance Education Together!*

With gratitude,

*Rene*

Dear Brownsburg Education Foundation,

Thank you so much for selecting me as a scholarship recipient. I am forever grateful for the teachers that contributed to this scholarship. They gave up some of their paycheck to help my future. This money will help me cover some tuition costs which will alleviate some of the financial burden of college.

Thank you for your help & all that you do!

Sincerely,

Kayla Tobin

Dear BCSC Employees,

I moved to Brownsburg half-way through my freshman year and during these three and a half years I have received so much love and support from all of you. I just wanted to thank you all for everything you guys have done during these last few years to encourage learning and growth in all aspects of my life. I truly appreciate everything and I am so thankful to have received a BEF Scholarship. I hope all of you are well and that you enjoy the summer as best as you can.

Sincerely,

Alena Megregian

I am so honored to be a recipient of the 2020 BEF Student Scholarship that was sponsored by the Brownsburg Community School Corporation Staff! It means so much to me, and it means even more since it came from Brownsburg teachers and staff. There have been so many teachers that supported me and made my days in Brownsburg very enjoyable. Thank you very much!!

Sincerely,

Lauren Campbell 😊

My name is Harrison Koles, and I was lucky enough to receive a scholarship in the amount of \$1,000.00 to put towards my college education from the Brownsburg Education Foundation, made possible by the great employees of BCSC. I am writing to express my true gratitude for not only making this opportunity possible for the seniors of BHS, but also for selecting me to receive one of those scholarships on offer. I will be attending Purdue University West Lafayette starting in the fall, starting in First Year Engineering and expecting to major in Civil Engineering. I am positive this scholarship will make an impact on my financial future, as a college education can provide quite the financial burden, which will be lessened by this generous contribution made towards my tuition.

Thank you so much,  
Harrison Koles
